### ABOUT THE SPEAKER:

John D. Gardiner is a member of Bodman's Workplace Law Group based in the Grand Rapids office. He has more than a decade of experience representing established as well as entrepreneurial businesses and their owners in employment law matters and related litigation. He counsels these clients on a full range of employment issues involving claims of discrimination, sexual and other forms of illegal harassment, accommodating employees with disabilities, FMLA issues, wage and hour issues, reductions-in-force, discipline and discharge issues, among others. He also represents business owners and their families in connection with alleged white collar crime and other criminal investigations.
